

DIANE'S ART CLASSES - TIME TABLE SUMMER 2009

Hello again

I am having some pictures displayed at the Gallery Topp, Chatsworth Road, Rowsley, Matlock, DE4 2EH in an exhibition called 'SURVEY' for a month opening on the 4th April until the 4th May. So if you get chance to, please call in. My own working studio is open most weekends or when I'm around during the week, but if you are making a special journey to see me please phone first to make sure I'm in and not down the dale painting!

Here are the dates for the next terms' Life Drawing / Painting classes. Don't forget that if you miss a class, you can make it up at another venue within the same term which will give you greater flexibility.. After these classes we will be going out into the landscape again, hoping that the weather will be better in June and July. Another letter will follow with details of locations.

Mrs Toyne of the Old Hall has kindly allowed us to park in her croft just behind the telephone box at Holywell Lane for the life class on the 25th April 2009
